ACKNOWLEDGMENT OF RECEIPT OF SUMMER CAMP CELL PHONE POLICY

THIS IS TO ACKNOWLEDGE THAT I HAVE RECEIVED A COPY OF THE DOWNINGTOWN AREA RECREATION CONSORTIUM (DARC) CAMP POLICY ON CELL PHONE USE.

Cell phones/Ipads/Ipods are NOT to be used during the Teen Camp program. Campers may bring their cell phone to camp, but will be required to turn in their cell phone to the camp counselors as they arrive at camp. We will have a 'cell phone box or bag' where all cell phones will be stored. This will be in the possession of the counselors during the camp day. Campers who need to make a call to a parent/guardian can ask a counselor for their phone. We realize that there are times that campers may need to reach a parent, or a parent may need to reach a camper. If this is the case, please call the DARC office at 610-269-9260 and we will relay the message to the camp counselors. We want to make sure that parent/child communications can still take place.

Unfortunately, our previous policy of allowing the campers to keep their phones led to some inappropriate incidents occurring amongst the campers. We are taking the step of enacting this revised cell phone usage policy with the hope of preventing any further inappropriate incidents from occurring during the camp program. Maintaining a fun and safe atmosphere which hopefully makes the camp more enjoyable for everyone is our goal.

I acknowledge that I have read the information herein and understand the policy. I also understand that the statements contained in this Policy.
