DEAR READERS,

The summer is almost here and we look forward to entertaining you and your children throughout the summer. DARC continues to strive to provide an environment that welcomes diversity and empowers communities to create a better place to live and thrive. We want to thank you, our community businesses and the Boroughs & Townships for their continued support.

Please take a few minutes to read through our brochure to see what we are offering this Summer. We are so excited to have so many of our programs back up and running, with activities available for all ages! Don't forget to follow us on Facebook, Instagram, and Twitter for photos and event reminders.

Sincerely,

Nicole
Executive Director

DARC ADVENTURE CAMPS

Elementary School Adventure Camp

(Ages 7 - 11)

Our Adventure Day Camp Program for elementary school students aged 7 to 11 sends your child on a unique activity each and every day. Unlike many other camps, we take your child by school bus to local attractions, events, museums, and a weekly pool session.

Each week there will be one “major” trip to a park or attraction, a one-day trip to a nearby State Park, and smaller trips to local attractions and community parks. Highlight trips include Lincoln Financial Field Tour, a Phila Union Soccer game, Camden Aquarium, Phila Zoo, Northbrook Canoe, and Treehouse World.

Extended Care is available (must be purchased separately and available at All-Star Baseball Academy ONLY) in the morning from 7:30 to 9 am and/or in the afternoon from 4 to 5:30 pm. You can sign your child up for one week or all nine weeks.

Week Activity Trips are subject to change depending on destination availability and/or weather.

Locations:

All Star Baseball Academy
Upland Farm Park - The Barn

DARC PLAYGROUND CAMPS

Half-Day Playground Camps - Most Popular!

The Half Day Playground Program for Kindergarten Age children will be offered Mondays through Thursdays from 9:00 am to Noon. No camp on Fridays.

Our kindergarten camps have a lower number of campers and a higher ratio of camp staff to meet the needs of the younger children.

Each of the weeks will be based on a theme of the week. A weekly calendar will be available each Monday with a daily schedule of events for the week.

Day-to-day activities will include sports games, arts & crafts, and team-building activities. One day per week will be a "water day" with water-related activities (weather permitting).

Each camp has a Site Supervisor with professional childcare experience who supervises the camp. Our staff will consist of well-qualified college and high school students. You can sign your child up for one week or all summer.

Week #1: Pirate Week

ART SUMMER CAMPS

Elementary Artists: Art & Nature Camp at Chrysalis Art Center

(Ages 5 - 12)

Does your child enjoy nature? Exploring surroundings and collecting stones, shells, or butterflies? This camp will take us outside to observe plants, birds, and any natural treasures we can find. We will then incorporate them into our artwork. Feel free to bring in found objects to share in class. We will practice sketching and drawing techniques, but also collage and build 3D projects. Try something new and share ideas in a cohort of young artists in our art studio environment and direct instruction from an experienced artist and teacher.

Monday-Friday:

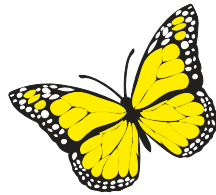

06/12/2023 - 06/16/2023

07/10/2023 - 07/14/2023

08/07/2023 - 08/11/2023

9:00 AM - 11:00 AM

\$225.00 Res, \$250.00 Non-Res

Elementary Artists: Beginner Ceramics Camp at Chrysalis Art Center

(Ages 5 - 12)

Ceramics are clay pieces fired to a hard, durable "bisque," then "glazed" with powdered glass paint, which is fired again to create a hard, slick, waterproof, brilliantly-colored surface. Students will enjoy using a variety of clay colors and methods to create original pieces either as functional craft pieces coiled, rolled slabs, or hand-built into sculptures using additive and subtractive methods. When the pieces are ready to glaze, everyone loves picking from the many beautiful colors and textures of glazes to complete their work.

Monday-Friday:

06/19/2023 - 06/23/2023

07/03/2023 - 07/07/2023

08/14/2023 - 08/18/2023

9:00 AM - 11:00 AM

\$225.00 Res, \$250.00 Non-Res

Elementary Artists: Drawing & Painting Camp at Chrysalis Art Center

(Ages 5 - 12)

Students with an interest in drawing and painting basics will learn various traditional methods of sketching, drawing, and rendering with an array of materials. They will review and explore basic painting techniques and color mixing. Work and styles by famous artists will be studied. Students will work toward trying new techniques and practicing with previously learned methods. Come join the fun during this summer combo camp! Rain or shine - we'll work outside on beautiful days!

Monday-Friday: 9:00 AM - 11:00 AM

06/26/2023 - 06/30/2023

07/24/2023 - 07/28/2023

08/21/2023 - 08/25/2023

\$225.00 Res, \$250.00 Non-Res

Elementary Artists: Construction & Design Camp at Chrysalis Art Center

(Ages 5 - 12)

Students will use a variety of materials in creating original art in 2D and 3D. Options for collage/assemblage, wind sculptures, clay, paper mache, weaving, wood sculptures, or paper making. We will look at artwork by Louise Nevelson, Alexander Calder, Larry Fuente, and other prominent artists. Bring us your interesting reusable materials, nature objects, colorful tiles, and more. Start collecting now!

Monday-Friday: 9:00 AM - 11:30 AM

07/17/2023 - 07/21/2023

\$225.00 Res, \$250.00 Non-Res

Elementary Artists: Contemporary Crafts Camp at Chrysalis Art Center

(Ages 5 - 12)

These projects are always changing! So many new crafts are being invented. Try some new twists on some familiar crafts like tie-dying, fiber art, sewing, Culpey clay, marbling, paper art, and even edible art!

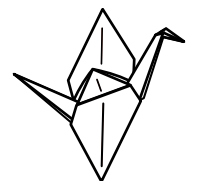

Monday-Friday:

06/05/2023 - 06/09/2023

07/31/2023 - 08/04/2023

9:00 AM - 11:00 AM

ART SUMMER CAMPS

Teen Art Workshops at Chrysalis Art Center

• Drawing

(Ages 12 - 18)

Love to draw with graphite, charcoal, colored pencil or pastels? Let's experiment with all of these looking at faces, figures, animals and still life this summer. Work in a studio setting, surrounded by emerging artists' work. We will all be at different levels of experience so be prepared to learn and be inspired by others. If you have a sketchbook bring it with you and remember why you love to draw!

Tuesday - Thursday:

06/06/2023 - 06/08/2023

07/11/2023 - 07/13/2023

12:30 PM - 03:30 PM

\$225.00 Res, \$250.00 Non-Res

• Enameling & Glass

(Ages 12 - 18)

Enameling is done by fusing glass powder or pieces to something metal, the art is in the design, colors and various techniques. We will use copper and powders along with bits of spun glass and fuse it together in a small kiln. After it cools, students will polish the copper piece to give it a finished look. Students will have time to make several final pieces. Come try this ancient art form still used today.

Tuesday - Thursday:

06/13/2023 - 06/15/2023

12:30 PM - 03:30 PM

\$225.00 Res, \$250.00 Non-Res

• Ceramics Bisque

(Ages 12 - 18)

Time to get creative with clay: maybe you would like to make a vase, a lifelike head, a sculpture of a dance, a mother holding a child, a decorative bowl, or a serving plate. So much in our homes are made of ceramics.

Wednesday - Friday:

07/05/2023 - 07/07/2023

07/18/2023-07/20/2023

12:30 PM - 03:30 PM

\$225.00 Res, \$250.00 Non-Res

• Printmaking

(Ages 12 - 18)

Why make just one picture when you can make many? Design a T-Shirt logo, card series, special prints for your friends and family. Learn how to silk screen, dry point, make several unique monoprints. I met an artist who made live fish prints and then set the fish free! Maybe you will find something that inspires you to make more than just one of something. I learned printmaking in high school and started my own business making team shirts!

Tuesday - Thursday:

06/27/2023 - 06/29/2023

12:30 PM - 03:30 PM

\$225.00 Res, \$250.00 Non-Res

• Sculpture

(Ages 12 - 18)

Sculpture is creating 3-Dimensional artwork, large or small, soft or hard, abstract or representational. Remember the joy of handling play-doh, building a snow person, and turning a box into a fort? Students will use a variety of materials (wood, clay, wire, paper, plastic, etc.) to create several sculptures. They will have fun learning techniques of sculpture, developing textures and shadows, terms, tools and styles. If you like to build things, come sculpt with us. Rain or shine - we will work outside on beautiful days!

Tuesday - Thursday:

07/25/2023 - 07/27/2023

12:30 PM - 03:30 PM

\$225.00 Res, \$250.00 Non-Res

• Jewelry Making

(Ages 12 - 18)

Jewelry is one of the oldest art forms and is worth a trip to a museum to see how the ancient cultures made theirs! Join us for this relaxing and focused project- designing wearable art. We will explore basic beginner necklace, pendant, earrings, and bracelets using the wide variety of materials available today. You will learn how to use tools to make a metal wire spiral, loop, clamp and crimp. The more confident you become the better your designs will become and reflect your personal style. The colors, textures and choices keep you coming back to make more!

Tuesday - Thursday:

08/01/2023 - 08/03/2023

12:30 PM - 03:30 PM

\$225.00 Res, \$250.00 Non-Res

ART SUMMER CAMPS

Teen Art Workshops Continued at Chrysalis Art

- **Painting**

(Ages 12 - 18)

Compare different types of paints (acrylic, oil, watercolor, gouache) on different surfaces, experiment with innovative styles, share your own techniques and explore your preference for abstract vs. realistic subjects. Work on color mixing, layering, combining watercolor pencil and wet methods, drybrush, ink over for final details. Try pen air working outside on a landscape or springhouse study.

COOKING SUMMER CAMPS

Crafty Chef Academy: Hostess with the Mostess

(Ages 6 - 14)

Do you have a chef who loves to entertain and serve? This is the camp for them! We are sharing our favorite tricks this week, and your chef will entertain with the best of them! From charcuteries and butter boards to mocktails and dips to tablescapes and other little niceties and even to dessert trays... Your chef does not want to miss this! Your chefs will get to use different tools and techniques and will get to sample all of their creations. Rumor has it they'll go home with a few things to share and keepsakes. After all, every good hostess makes sure "everybody feels like they're somebody"! So, grab a friend or two and mingle with us for the week. Materials: Each chef will get surprise keepsakes throughout the week that they'll be able to use for future entertaining.

Monday - Thursday:

06/19/2023 - 06/22/2023

9:00 AM - 12:00 PM

Lionville Middle School

\$305.00 Res, \$325.00 Non-Res

The Crafty Chef Academy brings a new twist on teaching life skills in a supportive and encouraging environment while crafting delicious meals!

Crafty Chef Academy: Every Day's a Celebration

(Ages 6 - 14)

Join us as we find a reason to celebrate every day! One of our favorite things to do is to stay up to date with holidays, both conventional and "National Day" days. We want you to join our excitement. Each day will be different leaving so much opportunity for learning and making new things. Think "National Fair Food Day", "National French Fry Day", or "National Pick Blueberries Day". There's so much more to celebrate, but you get the idea. And, you know The Crafty Chef Academy will have a cute spin on whatever day it is. We can hardly wait and hope you'll celebrate, too! Lunch will be made and served so "no kid left hungry". Bonus, you might get someone excited to talk on the ride home because they'll have so much to share from the fun facts we learn this week.

Monday - Thursday :

07/10/2023 - 07/13/2023

Lionville Middle School

Crafty Chef Academy: The Cupcake Café

(Ages 6 - 14)

This might just be our all time favorite thing to do, decorate cupcakes! Today we are transforming the kitchen into a cupcake cafe and turning cupcakes into fabulous edible art. Cupcakes will be the canvas, but the sky's the limit. From buttercream to fondant to other clever tricks, your budding pastry chef will be so proud to show off their masterpieces. Pastry chefs will leave with plenty of cupcakes to share. And, because we like to "sprinkle kindness everywhere we go" and "bake the world a better place", your chef will help us make birthday cake kits to donate to the Chester County Food Bank during this workshop, too! "There's tremendous happiness in making other people happy". Materials: Each chef will get their own decorating kit to keep.

"Into the Woods" Nature's Palette: EcoArt Summer Camp

(Ages 7 - 11)

This week, explore forest and riparian ecosystems, and the incredible animals (such as amphibians, macroinvertebrates, and mammals) that rely on these habitats. Campers will engage in many STEAM games, scientific observation of soil, water movement, and understory forest life, as well as hikes, and creative projects.

Campers will explore what features distinguish amphibians from reptiles, and how flowing vs. still water (stream vs. pond) impact adaptations of aquatic life. They also shall explore microclimates within a forest environment and understand how forests are built in layers, with unique flora and fauna in each layer! As we explore these habitats, we shall engage in many artistic projects that help support their learning, express creativity, and discover the incredible world of wildcrafting using forest plants.

Weekdays:

06/12/2023 - 06/16/2023

9:00 AM - 12:00 PM or 9:00 AM - 03:00 PM

Full-Day: (9 AM-3 PM) \$350.00 Res, \$370.00 Non-Res

Field and Feather Nature's Palette : EcoArt Summer Camp

(Ages 7 - 11)

This week, explore fields and ecotones and the incredible birds, mammals, and pollinators that rely on these sunny, grassy spaces. Campers will play STEAM games, make scientific observations of native wildflowers, bird morphology, and insect populations, go on hikes, and create art!

Campers will discover the important connections between plants, pollinators, and people by understanding urban gardening impacts on bird & pollinator populations, how humans can positively impact these vital species, and how to mitigate native plant loss in their own community! As we engage with these habitats and animals, we shall make many artistic projects that help support camper's learning, express creativity, and discover the incredible world of wildcrafting for pollinators.

NATURE & SCIENCE SUMMER CAMPS

World of Wildlife Nature's Palette: EcoArt Summer Camp

(Ages 7 - 11)

This week, look high and low for wildlife that calls Chester County their home. We shall focus on wildlife including amphibians, bugs, birds, reptiles, and mammal species. Campers will engage in many STEAM games, scientific observation of fur, feathers, and skulls, as well as hikes, and creative projects.

Campers will explore what classifies wildlife in different categories, as well as take some deep dives into understanding how anatomy of different species impact how that animal functions within its ecosystem. They also shall participate in bioindicator species conservation strategies, how humans can positively impact wildlife, and how to mitigate habitat loss in their own community! As we engage with the wonderful world of wildlife, we shall make many artistic projects that help support camper's learning, express creativity, and discover the incredible world of wildcrafting for animals.

SCIENCE & ENGINEERING SUMMER CAMPS

Engineering For Kids: Hardware Engineering - Get wired with Makey Makey

(Ages 8 - 14)

Imagine designing a piano using celery or creating a custom digital training program. Now, envision playing video games using just your body, a bit of wire and your own imagination. In our hardware engineering program, students engineer their own customized video game controllers using a Makey Makey device and materials that can be found in just about any kitchen. Through application of circuitry, acoustical engineering and video game design, students discover new ways to interact with technology, all while creating unique designs in a fun collaborative environment.

Chess Camp by Shining Knights Chess

(Ages 6 - 13)

Knights, captures, action!

Whether you are new to the game, learning to push pawns for the first time, or have played in numerous tournaments, and want to sharpen your skills, come to a Shining Knights Chess Camp! We have trained numerous state champions and national trophy winners. We have trained even more kids to enjoy the game that they can spend hours playing with friends and family. So, whether you want to win games in your living room against your parents or win tournaments in other states, come join us and learn how to play chess or play better chess!

Campers are broken up into groups by skill level, so we accept anyone from total beginners up through experienced and highly-rated tournament players. Each camper receives a T-shirt and a tournament-style chess set. Activities include learning openings, tactics, endgames, studying master games, playing games against fellow students, and analyzing the students' games.

Photography Summer Camps

(Ages 9 - 16)

Are your kids constantly taking pictures with their smart phone or the camera they received as a gift? Does your child have a creative flair, but just needs a little help expressing it? If so, you may have the next Ansel Adams on your hands! If your child loves taking photographs of family and friends, special events, or just for fun, please fuel their passion by sending them to our summer photography camp. We will teach your child the many aspects of the art of photography. This camp focuses on nature, landscapes, sports, and summer fun!

We will cover how a camera works and which settings are best for specific photographic situations. We'll teach simple yet powerful tricks that will take your child's photography to the next level. Every child will have a tremendous amount of fun and will leave camp a better photographer.

Our camp is designed to teach real world skills that allow every child to express their individual creativity and to develop their own artistic style and vision. Additionally, each child will grow as a person, learn how to work with others and a team and hopefully make many new friends with similar interests along the way. Camp is for photographers ages 9 to 16. This week-long camp is in-person and on-location.

YOUTH SPECIALTY SUMMER CAMPS

Intro to Film & TV: Acting and Behind the Scenes Summer Camp

(Ages 8 - 15)

This is Wickline Casting's original course that started 26 years ago. Your child will work as cast and crew teams in this innovative cool camp. Kids are taught the basic levels of acting, directing, voice-over, operating the camera and working on green screen. Script writing, storyboarding and improvisation will also be introduced. Each day is different as they create fun projects; commercials, film scenes, music videos and public service announcements. A huge benefit of this camp is increasing memory, reading skills, working in teams and confidence-building. They will truly learn the basics of the biz. This camp is designed by casting director, Kathy Wickline, who holds over 10,000 casting credits in films, commercials and TV.

Materials Needed: A Notebook, Pen and Pencil

Horsemanship Summer Camp

(Ages 6+)

At Locust Lane Riding Center, we provide programs that teach more than horsemanship. Our mission is to enrich lives through equestrian activities that promote physical, emotional, and spiritual wellness. We cultivate resilience and help overcome adverse childhood experiences through connected relationships with horses and mentors. We specialize in equine-assisted therapies and equine-assisted learning for personal development. Our programs educate, equip, and empower young people and adults to reach their full potential. We invest in the lives of each individual, meeting them where they are. We are passionate about equipping young people with tools that provide the best defense against the mental health crisis in our community.

01 Character Development

Handling, riding and caring for a horse or pony develops responsibility, accountability, patience, level-headedness, empathy, kindness, and self discipline.

02 Health Benefits

Riding is great exercise. Apart from its aerobic benefits, riding also helps children develop balance, coordination and flexibility. In addition, activities involved in caring for a horse—grooming, hauling buckets, saddles, and cleaning stalls makes for a great upper body workout.

03 Scholastic Enhancement

The perseverance needed to ride a horse well can translate into improved performance in the classroom

FIRST AID/CPR/BABYSITTING SAFETY

Adult/Infant/Child CPR & First Aid

(Ages 15+)

By investing four hours to attend this course, you may be able to save an adult's, or child's, or infant's life. The American Safety & Health Institute instructor will train and certify individuals in the techniques needed for adult, infant and child CPR, choking and rescue breathing.

A student handbook is provided as a guide for CPR and methods to aid a choking person. First Aid is the immediate care given to the injured or suddenly ill person. This is a basic course that will concentrate on the first five minutes of care. Properly applied first aid can save lives, reduce recovery time, and quite possibly be the difference between temporary disability or lifelong disability for the victim.

An American Safety & Health Institute student handbook is provided as a guide for this basic first aid course. This course does meet OSHA and the Dept. of Transportation guidelines and you will receive certification cards upon successful completion.

Thursdays: from 5:45 PM - 10:00 PM

Babysitting Safety Workshop

(Ages 11 - 15)

This American Safety & Health Institute program is developed for the purpose of teaching safe and healthy techniques to teenage children in childcare and babysitting settings. The number one priority of this program is to keep you and the children you care for safe. Childcare/ babysitting is not just "watching" the children, but being 100% responsible for their safety and well-being. Take this course and be more confident when you accept your first babysitting job. You will receive a course handbook and a separate certification card upon successful completion of this class.

Saturday from 8:45 AM - 03:00 PM
